PRINCIPAL'S MESSAGE

The members of the graduating class are to be commended for successfully achieving their high school objectives. It is hoped that the experiences of secondary education will enable them to face the issues, and accept the challenges that lie ahead.

To the loyal, faithful, and understanding parents of this Class of 1960, and in whose honor this annual is dedicated, I congratulate you. The sacrifices that you have made to assist these graduates in their achievements are invaluable.

During your pursuit for knowledge at Princess Anne County Training School, you have received the final touches of a widely experienced and competent faculty. With masterful strokes and perseverance, another citizen is born, bred, and sent forth to spread his light to the world. But the far-reaching results of the teacher's work remains to be assayed by the future.

On these pages are captives of a time that is now history. You are invited to reminisce and retrace precious memories of steps to a happy ending. Herein is recorded high lights of the fleeting moments of your high school days. May they serve as loving ties between you and your beloved friends at Princess Anne County Training School.

J. V. Boykin, Principal

To you, the graduates of the Class of 1960,
my heartiest congratulations!

This present milestone, in your life, is
one that you and your parents have looked for-
ward to, and sacrificed for, for some years,
now.

May I leave this thought with you. When
things seem a bit dark and uncertain, remem-
ber that "Every day brings another chance".

Yours for a successful life
